Looking for CTO in similar time zone. GMT +2

★★★★★ **5.00** Jun 2020 - Jul 2020

Sergey is one of the most competent technical resources I have ever worked with. His years of experience and knowledge is invaluable. I will definitely be reaching out again soon and hope to work with Sergey long term one day.

Develop Agile, Scrum and Kanban Training Material

★★★★★ **5.00** Jun 2020 - Jun 2020

Sergey did a great job! Sergey is easy to communicate with and has been very responsive. Sergey took the time to understand what we needed. The work he completed is high quality and he delivered all the requirements on schedule. Will definitely hire him again. Highly recommended. Sergey is also very professional. Thank you, Sergey.

Create a decentralised, co-op AI powered bank - change the global retail banking for the better!

★★★★★ **5.00** Jun 2020 - Jun 2020

Sergey knows his stuff, a CTO with expertise beyond just technology. I hope to work with him again on many other projects!

Back-end engineers needed for expert panel

★★★★★ **5.00** Apr 2020 - May 2020

A great add to our engineering expert panel with his thoughtful, detailed responses. I look forward to working with him again in the next phase of our project.

Cloud architect needed for advisory on vertical web application architecture

★★★★★ **5.00** Jan 2020 - Apr 2020

I enjoyed working with Sergey, he delivered always on time, and was very cooperative. Provided us with a detailed architecture and work plan.
Thanks!
